

REMARKS:

- 1) We are submitting this **Corrected Claim Amendment Section** of the Response of December 1, 2005, in reply to the Notice of Non-Compliant Amendment of December 20, 2005. The other sections of the prior Response should be entered and considered.
- 2) The only changes are: the status identifier (Currently amended) has been added to the beginning of claim 1; and the first letter of each status identifier has been capitalized. It is further noted that parentheses should be added around the reference number 16 in line 5 of claim 29. This correction has not been made, to avoid introducing a "new change" beyond the scope of the Notice of Non-Compliant Amendment. The Examiner is authorized and requested to make such a correction by Examiner's Amendment.
- 3) Favorable reconsideration and allowance of the application, including all present claims 1 to 32, are respectfully requested.

Respectfully submitted,
Claus HOFFJANN et al.
Applicant
